23"

24" Heavy- Duty Contractor Grade
(30" through 96" also available)

Master any compound miter angle!

If you can hammer a nail, you can install crown molding & trim.

Why Your Customers Need Our Products

Do-it-yourselfers:

- Intimidated by installing crown/trim
- Can't afford to hire a professional
- Can* afford materials & supplies
- Confidence needed for crown/trim

Professionals:

- Cathedral ceilings - use blocks only
- Waste time on cuts for odd corners
- Provide better customer satisfaction

The Crown Molding & Trim: Install it Like a Pro!© book and The Original True Angle® provide *all your customers* the tools to make the perfect cut every time.

Read what my customers are saying:

Wayne: I've read many books on finish carpentry and particularly installation of crown/trim molding that claim to be for "do-it-yourselfers". Your book far surpasses anything I've seen. Many books promise "easy techniques" for installing molding, but the instructions are usually vague and the illustrations confusing. Not so with your book. Your instructions and illustrations are crystal clear. I've put off for years installing crown molding in our house because I was simply intimidated by it. With your book, I now have the tools/techniques and the confidence I need to do a professional job. Thanks for a wonderful product. Chris
